

How many parts are there in the Constitution of India 2023

www.indgovtjob.in.net

The **constitution of India** had a total of 22 parts before amendments, but after amendments, it has a total of **25 parts** now. These parts are divided into articles, which are further divided into clauses.

The parts of the Indian constitution cover a wide range of topics, including the distribution of powers between the national government and states, the rights and duties of citizens, and the structure and power of various branches of government.

Some of the more well-known parts of the constitution include **Part-III**, which contains the **fundamental rights** guaranteed to all citizens of India, and **Part IV**, which deals with **directive principles of state policy**, which outline the goals and values that the government should strive to uphold.

If you're preparing for the Government exam such as SSC CGL, SSC CHSL, Bank PO, State Government exam etc, then Indian constitution parts are important topics.
